I. Background:

The Institute of Museum and Library Services is the primary source of Federal support for the Nation's libraries and museums. We advance, support, and empower America's museums,

libraries, and related organizations through grant making, research, and policy development. To learn more, visit www.ims.gov.

II. Current Actions: The Grants to States program is the largest source of federal funding support for library services in the U.S. Using a population-based formula, more than \$160 million is distributed among the State Library Administrative Agencies (SLAAs) every year. SLAAs are official agencies charged by the Library Services and Technology Act (20 U.S.C. § 9121 and 20 U.S.C. § 9141) with the extension and development of library services, and they are located in each of the 50 States of the United States, the District of Columbia, the five Territories of Guam, American Samoa, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands, and the three Freely Associated States of Federated States of Micronesia, Republic of Palau, and the Republic of the Marshall Islands. Each State Library Administrative Agency (SLAA) is required, under 20 U.S.C. § 9101 *et seq.* (in particular 20 U.S.C. § 9134), to submit a plan that details library services goals for a five-year period, along with associated certifications. Pursuant to 20 U.S.C. § 9134 (c), each SLAA that receives an IMLS grant under the Grants to States program is required to evaluate and report on all funded project activities to IMLS, prior to the end of the execution of its five-year plan. Each SLAA receives IMLS funding to support activities for the five-year period through a series of overlapping two-year grant awards. Each SLAA must file interim and final financial reports, and final performance reports for each of these two-year grants through IMLS's State Program Report (SPR) system. This action is to incorporate a Site Visit Checklist as a stand-alone form in the SPR system, which has an OMB Control Number of 3137-0071, expiring 8/31/2024.
